Further Your Career, Closer to Home

EMTs: Are you ready to take the next step?

Earn your paramedic with an accelerated online program provided by the **School of EMS** in conjunction with **LifeSigns Plus** and **Bemidji Ambulance Service**. This course is perfect for nontraditional students because it's not your traditional program. Enjoy minimal travel requirements and a format that fits into YOUR busy schedule.

Coursework is delivered through an online education platform accessible from anywhere. Live skills weeks are conveniently held in Bemidji to meet the needs of providers in northern Minnesota. Flexible tuition options are available to students.

Pursuing your paramedic licensure doesn't have to interfere with your professional and family life. *This is your opportunity!*
